**COMMENTS:** The all-new Hyundai Santa Fe is about helping your drive become a safer drive, and it starts with the SuperStructure at its core. This frame is engineered with Advanced High Strength Steel for superior rigidity and strength to provide added protection in the event you cannot avoid a collision from happening. But beyond the strong foundation you are surrounded by a suite of available driver assistance technologies actively scanning your surroundings to help keep you safe on your journeys. Only at North Battleford Hyundai.
